WORLD TRANSPLANT GAMES?

SHORT INTRODUCTION:

The World Transplant Games are the world's largest event for transplant athletes, living donors and donor families.

Sport competitions for all age groups from 4 to 80+ years.

Participants celebrate their new life together, exchange ideas and forge international friendships.

GOALS OF THE WTG 2025

To convey a positive image of organ donation and spread a contagious joy for life.

To offer an unique event for athletes, supporters as well as spectators and enable international encounters.

To show what achievements are possible after a transplant and motivate people to take part in sport.
