ARCHERY ATHLETE INFORMATION

The individual competition will be held on Wednesday and will be 3 dozen arrows at 30m at an 80cm target face; scoring is 10 zone. Competitors have 40 seconds time per arrow. An end will consist of three arrows. The top 4 in each age group will advance to a semifinal round of 18 arrows—1-4, 2-3. Winners advance to a final round of 12 arrows. Losing semifinalists will both receive bronze medals.

The team competition in the afternoon will consist of teams of three archers from each country. Targets will be the same as the individual competition—30 meters at an 80 cm target face; scoring is 10 zone. The ranking round is 24 arrows—each team member shoots 2 arrows so there are 6 in total per end. The four best teams will proceed to a knockout process using team match play format. Competition results will be based on set points awarded in the ensuing head-to-head matches—winning cumulative score for the end = 2 points, Drawn score = one point each. First team to 5 points wins. In event of a draw at 4-4 a shoot off will be held—an additional end is shot; the highest score determines the winner. If score is equal, the closest arrow to the centre wins. If the first arrows tie, then the second closest is judged and determines the win.

Countries bringing 40 or more competitors to the Games may enter three archery teams if they wish. In that event, the teams will be designated "One", "Two", and "Three". Competitors are not permitted to change between teams from a country.

Equipment: Recurve bows only Archers must bring their own equipment. No Camouflage clothing allowed.

We can't wait to see you in Dresden and celebrate the spirit of transplant together!

Warm regards,
The WTG2025 Organizing Team
